

BASIC FORMATION COMMANDS

Kameraden, in an effort to continually improve the quality and accuracy of our impressions, it is imperative that you take the time to familiarize yourself with the following German commands. Your officers & NCOs will be using these commands at Odessa, so learn them, practice them and most importantly, **USE THEM!** This is another way for you to help distinguish Hohehstaufen in the field.

Danke!

SS-Scharfuhrer McCorry

Angetreten (AHN-ge-tre-tin)- Fall In at Attention
